

NEW ADDRESS: Rt. 7, Frederick, Md. 21701

1/4/67

Dear Senator Kennedy,

For your information, I enclosed copies of letters I have sent the London Times Literary Supplement and the New York Times.

These relate to the recent lengthy article by John Sparrow and the subsequent publication of a letter by John Roche.

I apologize for the pale condition of some of the carbons. "Sentencing" is less profitable than a careless reading of the press might lead one to believe.

Sincerely yours,

Harold Weisberg
