TEDDY BARE

THE LAST OF THE KENNEDY CLAN

by ZAD RUST

At last, Senator Edward Moore Kennedy is bared for what he really is — hypocrite, perjurer, schemer. His contempt for truth, justice, and the law has become a national disgrace. But finally he has been called to task. **TEDDY BARE**, by Zad Rust, exposes the shocking story of how Edward Kennedy has pampered mob and rabble so as to use them in his bid for supreme power. It tells of Jack's and Joe, Jr.'s visits to Red Spain in the late 30's; of how even *Pravda* came to Teddy's defense in his hour of need; of how Kennedy lawyers pressured the Supreme Court of Massachusetts into changing laws nearly two hundred years old to protect Teddy; and of the political machine behind Kennedy which will stop at nothing, not even the destruction of America, to accomplish its ends.
