Dear Mr. Weisberg:

I am writing to obtain permission to cite certain portions of POST MORTEM in a series of articles I have been working on.

The letter from Tom Kelley to you which appears on page 274 of POST MORTEM is very important to establish that Fox had the photographic material on these specific dates and times.

I wish to cite this letter in the first of these articles.

In the interest of saving time and unnecessary letter writing, I would like to have permission to cite whatever I need to out of the four books which I have purchased from you and are listed below:

- \*WHITEWASH II THE FBI-SECRET SERVICE COVERUP
- \*PHOTOGRAPHIC WHITEWASH
- \*WHITEWASH IV JFK ASSASSINATION TRANSCRIPT
- \*POST MORTEM

I assure you there will be nothing taken out of context, I will not take or make something that is not there, and will not put words in your mouth or letters on your typewriter.

As I say, the Kelley letter is the most important thing right now, however I may wish to refer to something else later and I would certainly appreciate your granting me permission.

Sincerely Yours,

  
Lewis E. Kinard, Jr.
