SUBJECT: MURKIN

This is the case involving the murder of Martin Luther King, Jr., on 4/4/68.

SAC Robert Jensen of the Memphis Office has advised that he was contacted by Inspector N. E. Zachary of the Memphis Police Department. Memphis authorities have obtained a warrant for the arrest of Galt on a murder charge but are desirous of meeting with the FBI so that the matter can be presented to a local grand jury. Inspector Zachary advised that the Attorney General of the Memphis District, Phil Canale, is desirous of presenting the matter to a grand jury as soon as possible. Inspector Zachary has advised that perhaps Canale would be calling the Attorney General concerning this matter.

It is noted that the Memphis Police Department is aware of the items which were abandoned near the scene of the shooting in Memphis, Tennessee, on April 4, 1968. These articles had first been turned over to the Memphis Police and were made available to the FBI by Inspector Zachary. It has been publicly stated in the press that the FBI has traced the rifle to a gun shop in Birmingham, Alabama, and also that the telescopic sight which was mounted on the rifle had been purchased from the same dealer. The Memphis police are, of course, aware that the binoculars abandoned at the scene were purchased in Memphis, Tennessee.

It has also been publicly stated that Galt is the owner of a 1966 white Mustang which had been abandoned in Atlanta and was located on 4/11/68.

Memorandum to Mr. DeLoach  
RE: MURKIN

Inspector Zachary and the Memphis Police Department have been most cooperative. They turned the original material over to us which they found abandoned at the scene of the crime. They could have retained this if they desired to; however, they did not. They turned it over to the FBI Office in Memphis. The Prosecutor has filed murder charges against Galt, which are presently outstanding.

ACTION TO BE TAKEN:

It is recommended the SAC at Memphis advise the Prosecutor of information which is contained in our press release. In the event he asks for a report in order to present the matter to a grand jury, he should be advised the FBI is presently conducting an all-out investigation in the matter and at the appropriate time will cooperate fully.

On 5/1 and 5/2/68, [redacted] Drivers License Division, and [redacted] IEM Section, Drivers License Division, Alabama State Dept. of Public Safety, Montgomery, Ala., made available all records pertaining to Alabama driver's licenses issued throughout the State of Alabama, between 3/20/68 and 4/9/68. There were approximately 7500 driver's licenses issued for this period. SA [redacted] examined these records and after eliminating applications of the young people, old people, Negroes, females, etc., there were approximately 800 application forms which were then examined by SA [redacted]

Of these 800 applications, 11 persons were found generally fitting the description of subject and whose handwriting was thought somewhat similar to that of the subject. On 5/1/68, NORMAN BUCHANAN, General Manager,  
Paw Paw Laundry, Paw Paw, Michigan, advised that prior to  
4/68, his company used the code similar to that contained  
on pillow case and bed sheet found in vehicle registered to  
GALT. He informed no yellow tapes were used in 1968, but had  
one orange tape issued with this code on 1/25/68 which came  
out of sub-station known as the Norge Cleaners, 1614 West  
Main Street, Kalamazoo, Michigan. BUCHANAN informed this  
was a bundle of six shirts belonging to one "GRIFFIN",  
Kalamazoo, Michigan.

Enclosed herewith is one handkerchief containing  
colored samples of tape with the printing of the machines  
utilized by the Paw Paw Laundry.

It is requested that the FBI Laboratory compare  
the printing found on the markings of sheet and pillow case  
with the samples appearing on the enclosure. In the event  
there is no direct comparison, the material may be destroyed.  
It is requested that the results be furnished to Detroit and

It was concluded that the laundry tapes appearing on Q97 and Q99 were not prepared with the K269 machine while differences were noted between the tapes produced by the K270 machine and the laundry tapes on Q97 and Q99. These known specimens are not adequate for a comparison with the "02B-6" markings which appear on the tapes which were attached to Q69 and Q70.

NY 44-1509

[REDACTED] Chattanooga, Tenn. this date advised SA [REDACTED] that he has been informed by a postal inspector in Birmingham, Alabama that a letter is in possession of the postal inspectors there addressed to ERIC S. GAULT, 2608 Highland Avenue, Birmingham, bearing a return address of Modern Photo Book Store, 166 Fifth Avenue, New York, New York 10010. It bears a metered postmark of 4/30/68. [REDACTED] telephonically contacted [REDACTED] Postal Inspector [REDACTED] New York, and informed him that he was instructing the postal inspector in Birmingham to forward this letter registered air mail to the attention of [REDACTED] and that [REDACTED] would hold the letter in the event agents wish to examine it before it was returned to the sender. [REDACTED] advised that since the letter was first class it could not be opened. [REDACTED] advised that the above information was being furnished on a highly confidential basis inasmuch as he has no authority to disclose this type of information to the FBI, and that any investigation which may be made as a result of this information must be conducted in such a manner that it cannot be attributed to its source. This information is being furnished for any investigation deemed advisable by New York."

The following investigation was conducted by SA [REDACTED] on 5/4/68 at New York:

The address 166 5th Avenue, NYC, is a mail operation for Modern Photo Bookstore, which company is actually located at 915 Broadway, NYC. Mr. SEYMOUR USLAN, President, advised that American Photo Bookstore is a division of American Photographic Book Publishing Company, Inc. (Amphoto), which is also located at the same address. The company specializes in supplying photography books.

NY 44-1609

[REDACTED] Order Department, Amphoto, searched her files and located a coupon clipped from Modern Photography Magazine, which coupon requested that book number 633 be sent to ERIC S. GALT, 2608 Highland Avenue, Birmingham, Alabama. The coupon indicates that a money order in the amount of \$8.95 was enclosed. [REDACTED] stated that this coupon was presumably clipped from the September, 1967 issue of Modern Photography.

Book number 633 distributed by Modern Photo Bookstore, is titled, "Focal Encyclopedia of Photography". The book jacket for this book describes it as a one-volume photographic library. It consists of 2,000 entries written by 197 experts from 23 countries and covers every aspect of photography: photographic science, industrial photography, cinematography, portraiture, equipment, history, and current activities of workers in foreign countries.

[REDACTED] located a letter, which is set forth in full as follows:

"9-26-67

"Dear Sir:

"I recently order a Book from your store titled FOCAL ENCYCLOPEDIA-NO. 633 for \$8.95.

"If you have not allready mailed the book (PLEASE DO NOT MAIL IT) I am moving and will shortly send you my correct address Thanks

"Eric S. Galt :  
"2608 Highland Ave  
"Birmingham Alabama"

NY 44-1609

[REDACTED] stated that during a routine review of the company's files, it came upon the coupon and accompanying letter of ERIC S. GALT. The company did not believe that it had shipped the requested book to GALT prior to receiving his letter. As a follow-up the company wrote to GALT by letter dated 4/29/68, asking him what action he wished the company to take regarding the \$8.95. The letter is set forth in full as follows:

"April 29, 1968

"Mr. Eric S. Galt :  
"2608 Highland Avenue :  
"Birmingham, Alabama

"Dear Mr. Galt:

"In going through our records we note a request of yours stating your intention to move from the above address, and to please withhold sending the book you ordered (Focal Encyclopedia \$8.95) until further notice.

"Please advise us when you receive this letter as to what course of action you wish us to take so that we may clear our records. (Or have you already received the book?)

"Sincerely,

This is the case involving the murder of Martin Luther King, Jr.

With respect to the evidence in this case obtained from the Memphis Police Department, SAC Jensen of our Memphis Office has advised that on the evening of the shooting, 4/4/68, and the morning of 4/5/68, he contacted Frank Holloman, Director of Fire and Police, and inquiry was made of the evidence collected. Holloman advised that all of the material he knew of was at that time in custody of Homicide Division, Inspector N. E. Zachary. He was told that the SAC would take possession of the evidence collected and would prepare it for submission to the FBI Laboratory immediately. No discussion was had with Holloman as to whether or not the FBI Laboratory report would be furnished to him and no request was made by him on arrival at the Homicide Division where the pertinent material had been maintained in a small room off the Homicide Squad rooms under custody of Inspector Zachary. Much of the material had not been identified as two of the officers had secured the pertinent material and arrangements were immediately made with Inspector Zachary to secure the names of the officers who could identify the evidence. Officers properly identified evidence.

The major part of the evidence was submitted by Inspector Zachary who had personally brought it to the police department, however, other miscellaneous items had been secured by individual officers. SAC Jensen advised Inspector Zachary that he would take custody of the material and insure that it was submitted to the FBI Laboratory immediately for appropriate and necessary examination. Inspector Zachary was advised that if he desired a police officer to accompany the Agent this could be arranged, and Inspector Zachary stated he did not feel it was necessary.

Memorandum to Mr. DeLoach:  
RE: MURKIN

The Memphis Police Department has not asked for the return of the evidence in this case. SAC Jensen, shortly after Mr. DeLoach's trip to Memphis on April 5, 1968, expressed to DeLoach the fact that the Police Department might soon begin wondering whether they would receive a report. DeLoach later mentioned this thought on Jensen's part in conversation with the Director. Both SAC Jensen and Inspector Joe Sullivan have indicated that there has been no request whatsoever on the part of the Memphis Police Department for this evidence to be returned.

Inspector Zachary, Memphis Police Department, has expressed the opinion that ultimately the case would have to be tried as a murder case in local courts. The First Assistant State Attorney General, Robert Dwyer, has indicated an interest in the evidence but has not made any request for its return.

The evidence has been maintained in the FBI Laboratory in view of the exhaustive and intensive investigation being conducted by the FBI and principally because evidence continues to be accumulated as we develop additional information on the background, prior movements and activities of the subject. Retention of the evidence has been particularly important from the standpoint that many of the items contained latent fingerprint impressions. It was, of course, necessary that these impressions be compared with previously obtained material.

OBSERVATIONS:

The individual known as Eric Starvo Galt has now been identified as James Earl Ray, a Bureau fugitive. This important identification, of course, places the case in a different light. We, therefore, now feel that it is not necessary to retain the evidence, which has been already fully examined, and recommend that the evidence recovered by the Memphis Police Department be returned to that agency at this time. It is suggested, however, that the Department be consulted prior to this action being taken.

Re LA tel to Director, 5/4/68.

Re investigation concerning possible look-a-like of JAMES EARL RAY by name of CARL RAY.

When individual using name CARL RAY obtained the two round-trip tickets from Las Vegas to St. Louis, at Frontier Airlines Ticket Counter, Stapleton Airport, Denver, Colorado, on 5/1/68, he did so by using temporary Frontier Airlines credit card 31088, and therefore, had to sign a Frontier Airlines Transportation Receipt. The original of this Transportation Receipt, bearing the signature of CARL RAY, in the upper left-hand corner is enclosed.

The FBI Laboratory is requested to compare this handwriting with any known handwriting of JAMES EARL RAY. It is noted that according to referenced teletype, the temporary credit card 31088, which may bear additional handwriting of CARL RAY is also being forwarded to the Bureau by Los Angeles.

The Laboratory is requested to return the Transportation Receipt to Denver after completion of the examination.
