Re Bureau airtel to Los Angeles, 4/24/68, re ~~\_\_\_\_\_~~  
~~\_\_\_\_\_~~ COMPLAINANT.

On 4/29/68, ~~\_\_\_\_\_~~ was telephonically contacted per her request to arrange an appointment for interview. She stated she was too busy to see an agent during the week of 4/29 - 5/3/68 since she went to Berkeley every Thursday and Friday ~~\_\_\_\_\_~~

She stated she had to take care of her family and house and had no spare time. She said that after she wrote her letter to Attorney General RAMSEY CLERK concerning the assassination of MARTIN LUTHER KING, JR., she had second thoughts and believed her theory that individuals who subscribe to the "Tuskegee Tribune" might have something to do with KING's assassination, was a far-fetched idea.

~~\_\_\_\_\_~~ sounded nervous and harassed when talking to agent but stated she would try to find time to mail in a list of subscribers to the "Tuskegee Tribune", marking the names of those she believed to be white people, in the event the Bureau desired to check them out as possible aspects.

~~\_\_\_\_\_~~ suggested an agent contact her again on 5/6/68 to determine if she had the list prepared.

Los Angeles will contact ~~\_\_\_\_\_~~ on 5/6/68.

**ALSO SUBMITTED:** Spiral notebook, ledger sheets, tablet and University Notebook all containing laundry records

**Result of examination:**

The K207 laundry tape is similar to the Q69 and Q70 laundry tapes in color, construction and composition. The K207 tape measures 1/4 inch by 1 1/8 inches. The Q69 and Q70 tapes measure 1/4 inch by 1 1/16 inches.

The size of type and printing characteristics of K207 are similar to those on Q69, Q70 and K10 indicating that all may have been prepared by the same machine. The lack of significant identifying features precluded a definite conclusion from being reached.

Order #4182 dated 4/20/68.

[redacted] advised that [redacted] told him that he was in Philadelphia to visit some friends with whom he had been in the service, but that when he went into a movie, his wallet was stolen and he did not know how to get in touch with these individuals.

[redacted] advised this individual said he had come from the State of Alabama and spoke with a Southern accent. He advised he appeared to be slightly illiterate and a bigot. He advised this [redacted] made reference to the killing of Dr. MARTIN LUTHER KING and said he believed the individual who did the killing would get a lot of money.

[redacted] stated this individual wore a dark blue sportshirt, with long sleeves; dark blue trousers; white socks; and black shoes, without any outer clothing in spite of the cold weather.

[redacted] advised that [redacted] had slightly stooped shoulders, pock marks on the back of his neck and shoulders, but he did not recall any scar on his forehead.

[redacted] furnished a gin bottle which he indicated [redacted] had handled on four or five occasions. He stated that he and [redacted] were the only ones who had handled this gin bottle and he stated he felt that his and [redacted] fingerprints could be obtained from this bottle to determine definitely if this individual were identical to [redacted].

He advised he knew of no additional pertinent information relative to [redacted] which would be helpful in locating him.

The Identification Division is requested to compare the latent fingerprints developed from the enclosed empty bottle of Gilbey's Gin with the known fingerprints of RAY and advise the Philadelphia Office.

PH 44-1368

The Identification Division is requested to dispose  
of the above bottle after the examination is completed.

During April his days off were Wednesday and Thursday, although [redacted] could not be sure that [redacted] took his days off since employees sometimes work on their day off or trade the day off with other employees for personal reasons.

[redacted] was interviewed at [redacted] Burien, Washington, on 5/2/68. He stated he has been in Seattle continuously since early March, 1968 with the exception of a few short trips to the nearby rural areas for fishing. [redacted] advised that while employed at the [redacted] Chicago, Illinois, in 1956, he had occasion to fire a Negro girl under his supervision. Shortly thereafter a series of what he described as retaliatory measures took place, among them a personal assault on [redacted] accompanied by the theft of his automobile and threats to his family. When his automobile was recovered, it was found to have sugar in the gas tank and other damage which appeared to have been deliberately caused.

[redacted] stated that shortly after the above incidents, two detectives from the Damon Avenue Station of the Chicago Police Department approached him at his home and furnished him with information re [redacted] such as I// that set forth in re Chicago tel. He advised the detectives at that time that he believed this to be another retaliatory measure, by members of the "Deacons For Defense", a Negro organization whom [redacted] believes is responsible for the attacks on his person and property in retaliation for his firing of the Negro girl, above. He felt at that time that this matter had been settled to the satisfaction of the Chicago Police. [redacted] stated that his supervisor at that time was one [redacted] (PH) whom he claimed would verify the above information. He stated that [redacted] would also be in a position to furnish information regarding a bomb threat which was received at [redacted] around the same time as the above incidents and which [redacted] believes probably was connected with the Deacons for Defense.

[redacted] advised he was born [redacted] at [redacted] and currently resides at [redacted] Seattle, Washington. He operates a 1962 Oldsmobile.

On May 2, 1968, [redacted] the Bush Hotel, Seattle.

SE 44-371

advised that he met [redacted] in Denver, Colorado, in early March, 1968. They came to Seattle together and lived, until recently, together at the Bush Hotel. [redacted] stated that, to the best of his knowledge, [redacted] has been in Seattle continuously since they arrived. He stated that he also worked at [redacted] with [redacted] and knows that [redacted] was also continuously employed at that store since March, 1968. [redacted] specifically recalled telling [redacted] during the early part of April, 1968, of the assassination of MARTIN LUTHER KING, JR., and pointed out that [redacted] was the first one to mention this to [redacted]. He recalled that this was either during the afternoon or early evening on the day KING was shot.

In view of the above, UAC, no further investigation is being conducted regarding [redacted] at Seattle.

CAVE INSURING DR. KING SUSPECT  
DOESN'T FOLLOW JESSE JAMES EXAMPLE

Pictures of James Earl Ray, suspect in the killing of the Rev. Dr. Martin Luther King, Jr., has gone up all over Meramec Caverns, on U.S. 66, Stanton, Missouri.

The cave wants to prevent Ray, who once escaped from the Missouri State Prison, from getting an idea to emulate another much wanted Missouri criminal, Jesse James, who used the cave as a hide-out during the 1870's.

Life-size posters of the much sought after Ray is on display throughout the five-story cave.

For many years, through the cooperation of J. Edgar Hoover, director of the Federal Bureau of Investigation, the cave has been posting pictures of the FBI's "10 Most Wanted Men," in case any of them got any ideas from Jesse James. However, this is the first time that a wanted man's picture has been posted all around the underground emporium, according to Lester B. Bill, cave director.
