21 July 1965

In connection with another matter, a source of this office talked to ~~A~~ at his residence, New York City, on 13 July 1965. (Various topics were covered during the interview and have been reported under separate memoranda.) Following are ~~A~~ comments (not verbatim) concerning ~~B~~.

A is B'

already shown his hand by attacking the Administration and advocating a pull-out in Vietnam. ~~A~~ insists that KING is compromised by his moral background and is probably controlled by Peking-line Communists;

|
B
|

A is B

pointed out it must be remembered that while the convention was going on, Martin Luther KING issued a public statement denouncing U. S. policy and advocating pulling out of Vietnam.
