SUBJECT: MARTIN LUTHER KING, JR.;
SECURITY MATTER - COMMUNIST

Special Agent in Charge Roney, New York Office, called on 1/20/66 and advised that Martin Luther King, Jr., and some of his associates have a reservation at the Americana Hotel, beginning 1/21/66 for approximately four days. King and his party will have Rooms 3435 - 3437. The New York Office has available Room 3335 from which it advises it can maintain a microphone surveillance on King with full security assured and without the use of any wiring.

We have had prior information that King planned to meet with some of his advisors with communist backgrounds, such as Harry Wachtel and Clarence Jones this week in New York City. Past conferences with such advisors have shown the communist influence exerted by them upon King relative to the racial situation as well as the Vietnam situation.

New York Office requested authority for the microphone surveillance installation the night of 1/20-21/66, to be activated 1/21/66 with full security assured. It also requested authority for expenditure of up to \$35 per day for the monitoring room.

ACTION:

(Remove this surveillance at once 1-21)
Yes. H

On New York's assurance that full security was available and since time was of the essence, New York was told to go ahead with the installation and was also authorized to make the necessary expenditure for the monitoring room. Attached for approval is a memorandum to the Attorney General advising him that this microphone surveillance will be activated 1/21/66 and will be immediately discontinued upon King's departure on or about 1/25/66.
