

99TH CONGRESS
1ST SESSION

H. R. 3319

To amend the Freedom of Information Act, and for other purposes.

IN THE HOUSE OF REPRESENTATIVES

SEPTEMBER 17, 1985

Mr. KLECZKA (for himself and Mr. ENGLISH) introduced the following bill; which was referred to the Committee on Government Operations

A BILL

To amend the Freedom of Information Act, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 SECTION 1. SHORT TITLE.

4 This Act may be cited as the "Freedom of Information
5 Public Improvements Act of 1985".

6 SEC. 2. FINDINGS.

7 The Congress finds that—

8 (1) the Freedom of Information Act has served an
9 essential role in informing the public on the activities
10 of the Federal Government; identifying and deterring
11 Government waste, abuse, wrongdoing, and misman-

1 agement; and disclosing significant information regard-
2 ing public health and safety, and the environment;

3 (2) the cost to the Federal Government of compli-
4 ance with the Freedom of Information Act has been far
5 outweighed by the public benefits resulting from the
6 Act;

7 (3) executive actions unreasonably limiting the
8 public disclosure of information generated, collected,
9 and maintained by the Federal Government have in-
10 creased the need for a strong and effective Freedom of
11 Information Act; and

12 (4) amendments are needed to make the Freedom
13 of Information Act simpler and less expensive for non-
14 commercial interests and news organizations to use, to
15 provide for more meaningful sanctions for its violation,
16 to minimize delays in processing requests under the
17 Act, to discourage misuse of the Act's exemptions by
18 agencies and agency personnel, to eliminate exemp-
19 tions from the Act that serve no legitimate governmen-
20 tal purpose, to provide for more effective Congressional
21 review of proposed exemptions to the Act, and other-
22 wise to ensure and enhance the effectiveness of the
23 Act.

1 TITLE I—AMENDMENTS TO THE FREEDOM OF
2 INFORMATION ACT

3 SEC. 101. RECORDKEEPING REQUIREMENTS.

4 (a) LOG OF REQUESTS AND RESPONSES.—Section
5 552(a) of title 5, United States Code, is amended by adding
6 at the end thereof the following new paragraph:

7 “(7) Each agency shall maintain for public inspection
8 (A) a log of requests received; (B) a current list of pending
9 requests showing the status of progress made toward compli-
10 ance; and (C) an index of all records disclosed pursuant to
11 this section.”.

12 (b) ACCESS AND RETRIEVAL OF RECORDS.—Section
13 552 of title 5, United States Code, is amended by adding at
14 the end thereof the following new subsection:

15 “(f) Each agency shall organize and maintain its records
16 in a manner which will—

17 “(1) make records easily accessible for convenient
18 use under this section; and

19 “(2) minimize the cost and difficulty of identifying
20 and retrieving records under this section.”.

21 SEC. 102. FEES AND WAIVERS.

22 Paragraph (4)(A) of section 552(a) of title 5, United
23 States Code, is amended to read as follows:

24 “(4)(A)(i) In order to carry out the provisions of this
25 section, each agency shall promulgate regulations, pursuant

1 to notice and receipt of public comment, specifying the sched-
2 ule of fees applicable to the processing of requests under this
3 section and establishing procedures and guidelines for deter-
4 mining when such fees should be waived or reduced. Such
5 schedule shall conform to the guidelines which shall be pro-
6 mulgated, pursuant to notice and receipt of public comment,
7 by the Archivist of the United States and which shall provide
8 for a uniform schedule of fees for all agencies.

9 “(i) Such agency regulations shall provide that—

10 “(I) fees shall be limited to reasonable standard
11 charges for document duplication when records are not
12 sought for commercial use and the request is made by
13 or on behalf of an individual, or an educational or non-
14 commercial scientific institution, whose purpose is
15 scholarly or scientific research; a representative of the
16 news media; or a nonprofit group that intends to make
17 the information available to the news media, any
18 branch or agency of Federal, State, or local govern-
19 ment, or the general public; and

20 “(II) for any request not described in clause (I),
21 fees shall be limited to reasonable standard charges for
22 document search and duplication.

23 “(iii) Documents shall be furnished without any charge
24 or at a charge reduced below the fees established under
25 clause (ii) if (I) disclosure of the information is likely to con-

1 tribute significantly to public understanding of the operations
2 or activities of the government and is not primarily in the
3 commercial interest of the requester; (II) the information re-
4 lates to a violation of law, inefficiency, or administrative
5 error by an agency; or (III) the waiver or reduction of the fee
6 is in the public interest because furnishing the information
7 primarily benefits the general public.

8 “(iv) Fee schedules shall provide for the recovery of
9 only the direct costs of search and duplication. No fee may be
10 charged by any agency under this section—

11 “(I) if the costs of routine collection and process-
12 ing of the fee are likely to equal or exceed the amount
13 of the fee; or

14 “(II) for the first two hours of search time or for
15 the first one hundred pages of duplication.

16 “(v) No agency may require advance payment of any fee
17 unless the requester has previously failed to pay fees in a
18 timely fashion, or the agency has determined that the fee will
19 exceed \$250.

20 “(vi) In any action by a requester regarding the reduc-
21 tion or waiver of fees under this section, the court shall deter-
22 mine the matter de novo.”

2 URE TO COMPLY.

3 (a) PAYMENT OF REQUESTER'S EXPENSES.—Section
4 552(a)(4)(E) of title 5, United States Code, is amended by
5 adding at the end thereof the following new sentence: "The
6 court may assess against the United States all out-of-pocket
7 expenses incurred by the requester, and reasonable attorney
8 fees incurred in the administrative process, subsequent to the
9 failure of any agency to comply with the applicable time limit
10 provisions of paragraph (6) of this subsection."

11 (b) CIVIL PENALTY FOR DELAY.—Such section is fur-
12 ther amended—

13 (1) by inserting "(i)" after "(E)"; and

14 (2) by adding at the end thereof the following:

15 "(ii) Any agency not in compliance with the time limits
16 set forth in this subsection shall demonstrate to a court upon
17 motion by a requester in the venue of the requester of the
18 information that the delay is warranted under the circum-
19 stances. The court may assess against the United States rea-
20 sonable attorney fees and other litigation costs reasonably in-
21 curred in any case under this section in which the Govern-
22 ment fails to sustain this burden. In addition, it shall be
23 within the discretion of the court to award the requester an
24 amount not to exceed twenty-five dollars for each day that
25 the agency's response to his request exceeded the time limits
26 set forth in paragraph (6) of this section.

1 SEC. 104. SANCTIONS FOR AGENCY FAILURE TO COMPLY.

2 Paragraph (4)(F) of section 552(a) of title 5, United
3 States Code, is amended to read as follows:

5 circumstances raise questions whether agency personnel
6 acted arbitrarily or capriciously with respect to (i) the with-
7 holding, destruction, removal, or alteration of a record that
8 was requested under this section, (ii) an estimate or amount
9 of a fee or the denial of a fee waiver or reduction, or (iii) the
10 denial of a request for expedited access, the Special Counsel
11 shall promptly initiate a proceeding to determine whether
12 disciplinary action is warranted against the officer or employ-
13 ee who was primarily responsible. After investigation and
14 consideration of the evidence submitted, the Special Counsel
15 shall, within six months, submit his findings and recommen-
16 dations to the head administrative authority of the agency
17 concerned and shall send copies of the findings and recom-
18 mendations to the officer or employee or his representative,
19 the court, the requester, the Committee on Government Op-
20 erations of the House of Representatives, and the Committee
21 on the Judiciary of the Senate. The administrative authority
22 shall promptly take the corrective action that the Special
23 Counsel recommends and file a report with each such
24 Committee."

2 Paragraph (6) of section 552(a) of title 5, United States
3 Code, is amended by adding at the end thereof the following

9 expedited access to records, the agency shall determine
10 within five days (excepting Saturdays, Sundays, and legal
11 public holidays) after the receipt of such a request for expe-
12 dited access whether to comply with such request and shall
13 immediately notify the person making such request of such
14 determination and the reasons therefor, and of the right of
15 such person to appeal to the head of the agency any adverse
16 determination. A requester whose request for expedited
17 access has not been decided within five days of its receipt by
18 the agency or has been denied shall not be required to ex-
19 haust administrative remedies. An agency failing to comply
20 with this time limitation shall be subject to the provisions of
21 section 552(a)(4)(E)(ii).”

23 Paragraph (6) of section 552(a) of title 5, United States
24 Code, is further amended by adding at the end thereof the
25 following new subparagraph:

1 “(E) Each agency shall include, as part of the regula-
2 tions implementing this section, pursuant to notice and re-
3 ceipt of public comment, a detailed description of the proce-
4 dures used in the processing of requests under this section. If
5 a separate queue or a special procedure is used in the proc-
