Dear Andy,

I've heard that Harry Livingstone has published the book allegedly by  
Madeleine Brown who claims she was LBJ's mistress and that he told her in  
advance of the coming assassination,

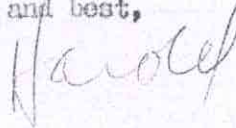

I've also heard that you sell it.

If so and if my credit is good, I'd like to get a copy.

If any other such books have appeared and you know about them I'd  
like to know.

Hope all is going well with you.

Thanks and best,

Harold Weisberg
