Dear Harold,

Enclosed is a transcript of part of your interview with Jimmy on May 11, 1972. It is as far as I got in transcribing those tapes before I had to quit.

I can find no transcript of the Jerry and John interviews and my best recollection now is that I intended to do theirs after I finished Jimmy and never got around to it. I do have some typed notes on those tapes, but since they are sketchy and contain few direct quotes, I doubt they would be of much use to you. If you feel otherwise, I'll send you copies. [For some reason the originals are not in my files and I only have one xerox copy of each on hand]

Under separate cover I am sending you the Table of Contents for the appendices to the appeal brief, the Power of Attorney, the MacMillan contract, the Stanton letter, the Gerold Frank memorandum by RXT and Foreman's letter to Frank, and the two different copies of Jimmy's September 12 letter to Judge Battle.

Also enclosed is a copy of the xerox bill for the Spectro reply brief. I'd appreciate it if you could reimburse me for this and the King documents search fee deposit, as my account is beginning to run short on scratch and I'm going to have some expenses to meet before too long.

Best regards,

Jim
