Dear Harold,

8-26-76

Mary gave me your letter this afternoon. I think when I get back we should file a contempt motion against Kelly, Shaheen, Bottinger, Hamstra, etc. and ask for an evidentiary hearing on it. This should be supported by an affidavit from you, including the documents you and Scott are preparing on good faith and due diligence.

When I get back I'll have to file a Sara Cohen pleading on the Williams case. I'd hoped to avoid it, but there's not much alternative now.

I hope your health is better again. I'm a bit worried that digging may not be good for your vessels, though.

I'm recouping rapidly and Mary and I should be ready to leave here on Sept. 1 as scheduled. But for the fact that Mary's family got me a first-class hospital room, I'd be out of here already. I think I should be [illegible] as soon as I get back.

Please take care of yourself.

Mary best —

Jim
