Mr. George O'Neill is employed as a salesman for the Standard Oil Company, who has been so engaged in this community for the past one year, and during our many conversations, previous to this past one week, had promised for time immemorial to bring up to date his record. On May 15, 1908, he came to see me personally, and I told him I would do my best to get him a position with the Standard Oil Company, and I did. His present and past financial standing is good, and in his researches made right across the country, he earned, insured no ill will or personal bias, is honest. His character, honest and reliable are good, and like and able. They live in a middle class residential section with this class of residents in this section is good.

According to the records of the New Orleans Public Service, Inc., R. J. Huddell, Sr., had moved from 331 Octavia St., City, to 1915 Upperline St., on 9-23-62, and he is still receiving gas and electric service at the latter address.

The records show that John or Patricia J. Lacaze live at 4909 Iberville St., and have been residing at this address since 3-22-62. The writer recalled interviewing a John and Patricia Lacaze, persons of the same sex, file 3-13-5333 some years ago.

A photocopy of Install Order No. 13031, dated 3-22-62, was obtained. It shows that the Lacaze's have phone numbers 635-7074 and 74-9-0336, the latter number being the phone number of A. J. Huddell, Sr., 1915 Upperline St., City.

Upon returning to the office, R. J. Jr., after having been interviewed by Sa Geretta and SAIC Blach, was presented to the writer. He was interviewed by the writer and stated phone number 635-7074 had been changed to 631-3605. Further, that he was more or less living in a common-law relationship with Patricia Lacaze, co-payer, file 3-13-5333. Furthermore, that as he is an electrician and is seldom home, Patricia Lacaze takes his phone calls for him. He indicated he expects to marry her at a future date.

On 11-26-63 called at Ed Smith Stencil Works, 405 Camp St., New Orleans, and interviewed Mr. J. B. Moore, Vice President. A copy of the application form, "The Fair Play for Cuban Committee," bearing the name "A. J. Huddell, P. O. Box 30015, New Orleans, La.", was shown to him. He said without a doubt this had been made with a Superior Seats Co., No. 2. He said those sets cost \$2.50, were manufactured by the Superior Equipment Co., Chicago, and were sold by practically all hardware stores, department stores, etc. He said the sets contained all the letters in the alphabet and using the set a person could make many stamps in any combination of names.

Mr. Moore was shown a photograph of Oswald but stated he had never seen this person before.

On 11-26-63 called at the New Orleans Better Business Bureau and made name checks in the following names:

Fair Play for Cuba - negative

Lee Harvey Oswald - negative

A. J. Huddell, Alz James Huddell-Haydel - negative

Dr. Leonard Reissman - negative

There was a file under "the Cuban Revolutionary Student" and it was reviewed and reinforced that the local representative is Carlos Bringuier. Further, that a Mrs. Geretta had called the Better Business Bureau on unknown date to advise that Bringuier had given her a book of tickets to sell. The Better Business Bureau had checked with City Hall, New Orleans and was informed that Bringuier had called at City Hall and was given the necessary form to execute in order to make it legal for him to sell tickets or bonds in connection with the Cuban Student Directorate. The file reflects that Mrs. Geretta had been so notified.
