Mr. James A. Cox, editor Midwest Book Review 278 Orchard Drive Oregon, VI 53575

Dear Hr. Cox,

Whitewash, the first of the series, is almost out of print and I have no review copies. I'm aging, am unwell, and do not know if I can now justify a reprint

However, I believe you can obtain any information you want from Prof. David Wrone, Fistory Dept., Univ. Wisc., Stevens Point, 54481.

All of my materials will be deposited at that branch, under him. He also is co-author of the standard bibliography in the field.

Best wishda,

Herold Weisberg
