Dear Mr. Rye:

I am sending you herewith confirmation copy of my Day Letter sent you today which is self-explanatory. I am also returning your letter of January 3, together with maps covering THE LUCERNE VALLEY PROJECT, as well as PROSPECTUS COVERING THE LUCERNE VALLEY PROJECT, January 1960, and your MEMO dated January 15, 1960, covering THE WEAPONS PROJECT, together with your handwritten letter to me under date of January 20, 1960.

As stated in my day letter, I have made a careful study of the various communications you have sent to me, and regret very much that I am unable to participate financially in any of these projects. I do believe your plans are good, have good potential, but what I think you need is ample equity capital to develop your various projects. Perhaps if you group them together into one company, it might have greater appeal to prospective equity capital, than if you try to finance the various projects separately.

I want to take this occasion to thank you for the opportunity that you have extended to me to become an associate, and regret that I am unable to participate in your projects at this time.

With kindest regards and best wishes, I am

Sincerely yours,

✓ *W. A. O'Connell*
