

1) Purpose: "complete chronicle"

Historical value: like in Lincoln. Facing
memories of witnesses.

Date agreed on "most important" election
year - critical books attacking gov.
He was to answer this

Makes no up to contrast with others than the

"Up to him to dictate the terms" - re report
the one "national tragedy" compare with
his statement to other effort

Look at lessons on Corbin's question on tapes

References to "integrity of the law" is enough of
his integrity.

Not "hostile" to persons! (tray!)

Kennedy political involvement - MacNeil -
check what he says

On "special privilege" - "I accepted" for profits
accounting - on C'Donnell - false "witness"
against a future - the Commission's visiting
witness "method of establishing truth"

2) In pie - possibly didn't get Kennedy out.
The Brighton should have first look in
advice - "I don't feel I'll be
was present" 5/2/68 in.

Case on publisher's picture & how much
from a memo written by Manchester
himself. "I felt I had a single
responsibility to history" - compare with
biography

"A writer has a single obligation - to
his readers" - to tolerate

On Thomas's letter of protest articles in
J - doesn't believe letter was written -
got published - "I intended to publish
this & I meant to give it to you"!!

Robert (of feature) on both + Mrs R being
held up. Reports "strongest witnesses" basis
of "proof"

Admits conversation of O's night 11/1
not a.m. so he says.

"I went through a full year of files of the
Dallas morning news" - got Mrs R's
news' Evidence on climate + could
