SAC, DALLAS (100-10461)

FROM

ASAC KYLE G. CLARK

SUBJECT: '

LEE HARVEY OSWALD, aka IS - R - CUBA

Inspector J. A. SIZOO telephonically furnished the following instructions 11:45 AN this date.

By way of background, Inspector SIZOO advised the Director has been in conference with Mr. RANKIN of the Commission, and the following action is desired:

- should be instituted on MARINA OSWALD to determine (1) each person contacted by her and their full identity; (2) to be able to furnish information on everything she does when she leaves her place of residence. This surveillance is to be conducted "as a discreet physical surveillance."
- 2. With regard to the interview of MARINA today concerning the NIXON matter, the Director and Mr. RANKIN feel that the NIXON affair does not sound right as such activity on the part of OSWALD is not in keeping with his character. This should be thoroughly explored to determine what he did while he was locked in the bathroom, if he attempted to break down the door, and what action he took after he was released; that is, did he beat up on MARINA, etc.

The information concerning the NIXON affair, plus recommendations and results of physical surveillance must be included in the telephone-teletype today, and a daily teletype submitted concerning result of surveillance must be submitted.

It is RANKINS intention to immediately re-subpoena MARINA after receipt of the results of our interviews, etc.

with regard to the need for additional personnel, consideration should be given concerning such request, and Agents will be flown in; however, it is contemplated that the physical surveillance of MARINA will be discontinued after she is recalled before the Commission.
