Mr. John J. McCloy
200 E 66th St.
New York, New York

Dear Mr. McCloy:

Enclosed is a copy of my book, WHITEWASH: THE REPORT ON
THE WARREN REPORT.

I hope you will take the time to read it and note its
focus.

Should you have any questions, I will be glad to answer
them.

As you will see, there is but a single explicit conclusion
in the book: That the job has not been done and must be,
entirely in public and preferably by Congress. I hope you
will be in accord with this and will join me in this de-
mand. Yours is a powerful voice, and it should now be
heard.

Sincerely,

Harold Weisberg
