

Dear Dennis,

11/27/96

I'll be writing you more about this later today. I write this in a rush to be able to mail it when I go out for my blood testing. I do not know what the weather will be like later in the day but if there is a strong wind-chill I should not be out in it.

I hope it is not asking too much to get a printout of what has been retyped of Inside the JFK Assassination Industry as soon as possible to Mr. M. Harsh Goldberg. He is president and chief ex_off of Goldberg, Hodes and Strouse Communications, Suite 401, 901 Dulaney Valley Road, Towson, MD 21204.

It is a public relations firm. One partner owns a radio station, another owns Maryland magazine and Goldberg has published eight books on public relations.

Goldberg gave us yesterday afternoon, all of it. He is interested in doing what he can to help. Us was Lil, me and a new friend who arranged this of when more later.

Towson is a Baltimore suburb.

And please let me know the cost so I can repay you.

Many thanks,

Harsh
