Dear Harold,

Hope you and Lit are feeling better.
Sorry I've been out of touch -
swamped with work.

Almost finished Kelling - you
should get it soon - and a
date to McKnight.

Enclosed are a number of
Hersch related stories, mostly from
The Boston Globe.

I am trying to print out the
results of my search of Globe
archives on Hersch. There are quite
a few items. If I succeed, they
also will be enclosed. Otherwise,
I'll send it later.

Take care,
Dennis
