

McMillan and his lawyers are smarter, offering for you to go to the expense of a trip to Boston. Why not write them a nice polite letter about this all being unfinanced, pro bono, and can they send you a list or better, xeroxes that would be so much appreciated? Burch offers "copying" and it would take one helluve file for paying for xeroxing not to be cheaper than just air fare. Get it all! Even if they have an inflated charge for xeroxing it will be much cheaper. I'd ask the sheriff for a copy of all the visitors and of any mail log in writing him a nice thank you letter.

Dear Mr. Lesar:

Following our conversation of earlier today, I have had a call from Mr. McMillan. He has decided to interpose no objection to the inspection of the material called for in the Discovery Order. This is to advise you that all of the items in Mr. McMillan's possession called for by the Discovery Order are in the office of John T. Williams, Esq.; 1 Boston Place; Boston, Massachusetts 02108. It is suggested that you communicate with Mr. Williams and make whatever arrangements are suitable to your mutual convenience for the inspection and copying of these documents.

Yours very truly,

Lucius E. Burch, Jr.
