Ms. Joan Mellem P.O. Box 359 Pennington, NJ 08534 Dear Joan,

Thanks for your card.

You asked for a list or our books and we forgot to give it to you.

In addition to these, there are Case Open and NEVER AGAIN! both by Garroll & Graf/Richard Gallen.

If you can make it again in une, you'll be welcome.

Forgot to ask you how your work on Bruce went. Also forgot totall you that he handled some work I did before Pearl Harbor.

I got some anti-Nazi ino I got to FDR, who used it in a fireside chat, and on its return to me it passed through Bruce's hands, according to the info I got from the BIA. That was I think before the days of the CSS.
