

11/8/73

Dear Tom,

day before

Your letter of 11/1/ postmarked 11/2, did not arrive until/yesterday, when I read it but had to lay it aside to complete work on legal papers that had to be filed by yesterday p.m. Sorry I could not respond earlier.

Yes, of course you may come. However, you will also please understand that unlike Penn, who can lead a fairly flexible life (and with his wife can be two of the world's most thoughtful and considerate hosts), I work at an intensive pace. I write this at 5 a.m. and I worked until 11 last night. I am working on a large book and there is a rush on its completion.

After two days of intermittent puzzling, I think I've figured out what you meant by saying I have autopsy pictures for \$21.00. I don't. I did have some xerox copies of the past of Post Mortem. I don't know if any are left.

I suppose from the way you write that you will have a car. You do not say where you will be near here. We are less than 10 minutes from the Holiday Inn in Frederick. That and the State Police Barracks opposite it are the best landmark. They are at 40W and Baughman's Lane. From there turn from 40 onto B lane to Shookstorn Road, there turn left to Old Receiver Road, where you turn right for .3 miles and we are on the left, in a patch of woods that hides the house. This is in the flat just as you go down a short, steep S curve.

If you come from the north, it is a bit faster to leave US 15 at Rosemont, going to the right on Rosemont Ave. The first road on the left then is the beginning of Shookstorn Road. The instructions are the same as the other way. If you come from Hagerstown on I70 N, take the first Frederick exit, which is within a city block of the crossover you have to take to cross 40, so get into the left lane on 40 immediately. Opposite the crossover is a country road, Bowers Lane. Take it to Shookstorn Road. If you miss the crossover go the couple of miles to the State Police Barracks and you have the instructions. If you come from Washington, it will be as the first, at the barracks.

Glad you are getting out. Sorry I don't have time for more.

Best,

Dear Mr. Weisberg,

1 NOV 73

In a matter of days, my service in the Army will be finished. On November 17, 1973, I will officially become a civilian. That is something that I have been looking forward to for the past 2 years.

On November 19, my friend Tom Bains, and I, are going to journey to Dallas. We want to be there on November 22nd. Penn Jones has offered to take us on a tour of the assassination points. He also said that he has hundreds of photographs that are available for purchase.

A year ago you stated that you had autopsy photographs available, at a price of \$21.00. With your permission, I would like to purchase a set.

It is also my desire to meet you. Although in your letters you have stressed the fact that you are a very busy man, I sincerely hope that you can find the time to spend an evening with us. I have

a friend that lives not far from
Frederick, from where I would come
to visit with you. I am sure that
it will be a memorable evening for
Tom Barnes and myself.

If you could fit us into your
schedule at a time that would be
convenient for yourself, we would
be forever grateful. If you will
meet us, let me know when, so
that I can begin to make my
arrangements. Thank you very much.

Sincerely,

Jon Meras
