Dear Bill,

We are making out, thanks. Lil is a bit more unsteady on her feet and she has yet to recover her appetite but slowly she is eating more. She'll have a good time today at a family reunion. Either a brother-in-law or a nephew will take her there. I do not go to them any more because I should keep my legs elevated when I'm not on them. She'll probably be the oldest one there. And she'll enjoy seeing some she sees only at the reunions. There are two on her mother's side, the <sup>families</sup> ~~family~~ of her maternal grandparents. Both families going back to the earliest days and one, I've forgotten which, has a trace of native Americans in it. *Too far for me to drive to reunion,*

I'm glad you've had time to finish NA! and that you found it worthwhile. I've not had any complaints from the man I refer to in it.

We do hope that your daughter's medical problems clear up soon and well!

We would all like to know who the assassins were but I fear that as I began NA! in saying, because the crime itself as never investigated officially and was never intended to be there are no leads from private investigators to follow and if there were to be a genuine official investigation, none for it, either.

When all of the known official investigative information is considered it appears to be highly unlikely that it could have been other than an official job.

The many theories are developed, if not just made up, without the knowledge of the officially established fact that is required. Nobody is willing to take the time required to learn what has been established. It does take much time. But it also gives some of what is required to be known as the basis for considering who could have been behind it and who could not have been.

We hope all goes well with your daughter and we thank you for your good wishes,

*Hand*

DEAR HAROLD

WELL HOPE YOU AND CIL ARE OK. JUST A NOTE TO LET YOU KNOW I FINISHED WEVER AGAIN LAST NIGHT BEST I HAVE READ YET. I HOPE TO GET STARTED ON YOUR OTHER BOOKS SOON. MY TIME IS SO TIGHT THAT I DO MOST OF MY READING IN THE EARLY MORNING HOURS WHEN I CANT SLEEP. WHICH IS OFTEN. SECURITY IS SO DEMANDING THAT IN FIVE YEARS I HAVE TAKEN 3 DAYS OFF. MY TRIP IS STILL ON BUT ONE OF MY DAUGHTERS I HAVE FIVE. HAS BEEN ILL. THEY THINK IT IS A VIRUS OR AN AMBUSH I HER HEAR. WE WILL KNOW VERY SOON WHAT THEY ARE GOING TO DO. IF SOMETHING GOES WRONG, WOULD BE THE ONLY THING THAT WOULD PUT TRIP OFF. BUT I AM STILL GOING TO CHANGE THE SUBJECT. I WOULD LIKE TO KNOW WHO ORDERED THE KILLING OF J.F.K. AND WHO PULLED THE TRIGGERS. I DONT UNDERSTAND HOW PEOPLE SEEM TO NOT CARE. ~~ON~~ ABOUT WHAT HAPPENED, I TALK TO PEOPLE ABOUT IT, THEY MOSTLY AGREE THAT OUR GOVERNMENT WAS INVOLVED BUT THEY DONT WANT TO ACT ON THAT BELIEF. I WILL CLOSE FOR NOW.

YOUR FRIEND

BILL
