Dear Mr. Myers,

If you have the time to do it promptly and carefully, there is a little piece of research you can do for me. Please let me know either way.

In the official copy of the Report (no other one will do), beginning at the bottom of page 321 and continuing through page 325, there is a section captioned, "Alleged Association with various Mexican or Cuban individuals".

This part of the Report was rewritten in the last minute. However, the index was not changed to be in accord with the revisions. What I would like is two things: an alphabetical listing of all the names on these pages and then an indication whether the names have been eliminated, viz McCann, Rodriguez.

If you have time after that, I'd like the rest of that chapter done the same way, beginning at the top of page 312 and continuing to the end.

I think you will understand, if you undertake this, how important it is to be accurate.

You can do it by going down the page numbers cited in the index.

Thank you very much.

Sincerely,

Harold Weisberg
