Dr. James B. Rhoads, Archivist of the United States The Mational Archives Weshington, D.C.

Dear Dr. Rhoeds,

I would like to get a copy of CD 716, listed in my copy of the list of basic source meterials as "missing". This report and its attachment came from the FBI, which can with no difficulty replace your missing copy. I would like the entire document, pleas, with the attachment. It was originally withheld, and I would like to know under which guidline or by that request.

The list is illegible in the photocopy supplied me so I cannot make out the entire routing of this file. I would appreciate a transcription of the handwritten notes, which should be legible on your original.

This file may relate to a ir. Owen or a Rev. (Jerry) Owen, or both. I would like everything in the files on both, please. They should be in the other organizations and persons file, if they are mentioned. Likewise with the on Bruno church.

I would also like pages 467-9 of CD 203. I would like everything in the files on lack -. Bowen or enyone who might be taken for him.

I again take this opportunity to respectfully remind you of cartain uneaswered previous correspondence. I think I am entitled to a meaningful response and I would hope youxend the agency you head do not feel otherwise.

Sincerely yours,

Harold Teisberg
