This is in further reply to those parts of your letters of January 6 and February 15, 1972, that concern the transcripts of executive sessions of the Warren Commission.

The review of these transcripts by our Office of General Counsel referred to in our replies dated February 8 and March 6, 1972, to your letters has been completed. That Office has determined that the transcripts should remain exempt from disclosure as "inter-agency or intra-agency memorandums or letters which would not be available by law to a party other than an agency in litigation with the agency ..." (5 U.S.C. 552 (b) (5)).

Sincerely,

Director of Information
