REPLY TO  
ATTN OF: Assistant General Counsel - LC

SUBJECT: Letter from Harold Weisberg dated June 16, 1971

Archivist of the United States (N)

Reference is made to your memorandum of July 6, 1971, enclosing a draft reply to the Weisberg letter and revision of the regulations for reference service on Warren Commission items of evidence.

Enclosed is an altered copy of the proposed draft, together with a copy of the revised regulations, as well as the copy you forwarded of the printed regulations.

We suggest that the letter to Mr. Weisberg be dispatched as changed. We are in agreement with your revised regulations and we do not feel publication of them in the Federal Register is either necessary or desirable at this time.

Please furnish a copy of the Weisberg letter to Mr. Werdig and indicate that you have done so on the original of your response to Mr. Weisberg.

The changes to your draft response were suggested by Mr. Werdig.
