Dear Harold:

I will arrive in Baltimore about 8am Thursday April 23. I will pick up my rental car and drive straight to Frederick. I hope to get there before lunch. However, if I don't get to a phone or your house by lunch, go without me. We are staying at the RedHorse.

Gerry is driving in and should be there in the afternoon. We both are looking forward to seeing you and Lil. While I was dressing for work today, I thought to myself, "Weisberg would yell at me if I wasn't there at his house by now!"

We'll help you in any way we can. I hope to have the Cat hats by then, my little brother should have had them to me by now.

Dr. McKnight was very good on the Jane Norris show Monday. She left him on for the whole hour. Enclosed is a letter she sent me, after I sent her some of the FBI memos discussed by McKnight.

It also looks like Betsy and I will be in DC in July. She needs to go to a seminar to get hours to keep her med. records license. So, we hope to see you then also.

I am trying to catch things up here at the office so I can get out of town. I need a secretary, Jan is off this week.

Anyway, I'll see you Thursday. I will call you as soon as I get in town, or come straight over to your house. So. Hopefully, we can go to lunch then. Take care.

Bill

Dear Mr. Neichter,

I wanted to thank you for all the help you've given me on the show.
I really appreciate the effort you've made to send information and
research that would take days if not weeks for me to put together.

I really appreciate your input and hope we can do another JFK show
soon.

Best regards,

Jane Norris
