Dear Harold,

I thank you for your letter about the Joe Arnold show. Though I haven't had the time to devote to your work as I would like, I feel I did a pretty good job getting the facts out there.

Pretty interesting about Vince Bugliosi and also the recent "burglaries".

Calendars come late this year.

As I understand, Clay Ogilvie was added to your delegations & I was subtracted. Probably a good idea. I just don't know about my schedule with Mom in a nursing home. She lost weight from 135 lb. down to 118 lb.

WHA 5 + Joe Arnold did not
want to do a ML King show
this year. Too much truth
for one station. He did over the
last 2 years on ML King holiday.

I have had a renewed interest
in doing a documentary about JFK.

I had "Day of Deceit" about
Pearl Harbor. Dave Thorne
recommended. FOIA et al knew the
Japanese fleet was just off
Hawaii. Just here still
refuse to answer FOIA about
all Pearl Harbor documents.

Mabeiro mistake, Puglisi thinks
all who disagree with him are out.
Question him as a guest speaker at
State Bar convention a few
years ago.

Spoken to Jim Esau recently?

I am in a better mental state. Mom
is stable. Say "Hi" to her.

Love,
Bill Vit

PS, I am looking for
typewriter ribbons!

By the way, did I bitch that
I am madder than hell about
the election?

"At Gore in 2004!"

Working with you prepared me
for the death of democracy.
US has had 2 overthrows &
1 attempt in my life.

JFK, impeachment of Clinton,
2000 election. Not to mention
murder attempts on Reagan, Ford & Clinton.
Bill
