Dear Fred,

Steve J never did speak to Sprague. I spent the am with him yesterday and he will be expecting to hear from you. You may also write him, University Club, One West 54, NYC. Here are Bond 5 and 6 I borrowed for you.

Leaving for NO tomorrow. May be there as much as a week. I've no plans for immediate travel when I return and am looking forward to all of the picture stuff. Taking what you gave me with. Expect asst DA to return with me when I come back.

On HD, how about getting his files first and then trying picture again?

Hurried regard and thanks to all,

h
