

Julie cutting is public expense for cost

Satellite on BBC 7/11/73

He had my beloved her starts "If you perhaps opening your heart - -- he cannot say more than he has said -- eager to speak out but he can't..."

(What stops him?)

Dwork: "you can take a certain ^{measure} ~~measure~~ of pride that if the question was one not being answered, they are being asked" - the country's cost.

Julie asks how can he say more with out hurt my other

How did he get know as tricky - Debra - she does read but did not know he was so known.

"I know my father is unimpaired" - I believe his statement" (after all the cost reductions)

Lilly: "I don't like to see it with my father & his political campaigns..." "Not many like it in his 25 years. He has run all his political campaigns based on this one. David justifies Lilly as fight by left wing.

Julie's heart goes out to union mids because they didn't mean wrong!

1912 "You would have known to look around any way"

"It would have been a great loss" the days of the best then just politics
