(AP)—Former President Nixon's signatur Audied three examples of Mr. Nixon's signatur fudied three examples of Mr. Nixon's signatur for the second several months ago, and the

office inefore he resigned from office.

third sus capitals show pride, but the long thread

"Translus capitals shows he wants to leave room "The sus capitals show price, but the same room at the first signature. "The to manr," Lehmann said of the first signature. "The striving recognition and ambition are overpowering in his dwriting."

The ond sample:

"He es from an appearance of clarity to being Wishy-phy . . . But in this signature there is still hope."

And hmann's analysis of the third signature:
"The s nothing left. Only a shadow. His ambitions are over A shapeless stroke, ambiguity. A disintegration tion of ersonality, a person sinking within himself."
