She didn't know anything

On film - question a card? FBI - CIA? Yes
She said she had a card of some kind,
she had been her it was something.
She knew a lot of things.

When she was only 18 - Carlos Oswald
Worked on jobs of debit (know) even on Sinatra
Larry Taylor - worked for / odds - eyes out etc
She was engaged to him - supposed to
kill Castro?

Helped on when she took film out of camera
- big explanation

Hesitated on how many shots she heard - 4
She didn't continue filming - not Bobushka
She didn't talk after such an experience

I talked to FBI if they didn't ask if film 10 mins.
after 100? She says pick up - Chipman px

Possibility she still has 1/2 roll she didn't get back?
