PRESS RELEASE

Willem Oltmans  
International Journalist,  
Author of On Growth I "1974," On Growth II "1975"  
&  
USSR 1976 - 1990

"The many years that I have been following the Kennedy probe have convinced me that most (U.S.) journalists seem to be prepared to report on aspects of this case only after another dead body has been turned up. Are they now waiting for the corpse of General Donald A. Donaldson (alias Dimitter A. Dimitrov) to float down the river Thames before they take his case seriously? Were this to happen, it would mean that I had lost my second witness."

Willem Oltmans:
