## Was CIA Go-Between, Dutch Journalist Says

Dutch journalist William Oltmans says he will, Oltmans described his new "witness" as a "key meet with a Justice-Department official today to man between the CIA in Washington and persons discuss safety guarantees for a person he said wasai in Dallas." He refused to give his name for sea CIA go-between in the John E. Kennedy assassi—curity reasons.

The alleged go-between is the second of two ment assassination in Dallas. De Morhenschildt was a whom Oltmans said were involved in a conspiracy of minor figure."

Tould not go any further than saying I think "If (George) de Mohrenschildt (the first man) he is connected with the CIA," said Oltmans.

Could be considered a World War II bomb, the new oltmans said that, since his last "witness" died, witness is an H-bomb," said Oltmans.

George de Mohrenschildt; a friend of Lee Harness) would stay alive" and sought them from vey Oswald, was the subject of a book Oltmans

President Carter in mid-June. The request moved wrote about Kennedy's death.
