Slip in Oswald possessions:

ED 50755

Pay station, lobby 1501 W.7th Fort Worth(Marguerite res.)

(Cont'd)

A perusal of the preceding two sheets will indicate more work needed on some of the numbers, if this has not already been done.

Some which must be pinned down now are:

Main 5-2400(?) and WA 78441

both page 38 Vol 16. The WA number would be Fort Worth. Main I dont know though MARKET 5 is Fort Worth. Presuming a prefix "MAIN" Excludes Ft.Worth, Dallas and environs.

LA 11706 or

81706 needs identifying. LAkeside is Dallas prefix.

RI 85611 Ext. 2644 (p.42) should be cleared up.

Midland 2550. Midland, Texas, the city of millionaires, is rather populous to carry 4-digit phone numbers. If this is indeed a phone number, maybe one of the smaller Texas(?) towns uses a MIDland prefix. These possibilities and alternatives should be checked. May not be phone number.

38880 p.41 Probably Russian number? Russian accompanying number needs translation.

FR 55591 (Dallas) p.69(twice) "Kenneth Cody". Must be verified and the party checked out to ascertain contact with L.H. O./presume has been done.

/Spiral notebook/:

ED 64211 p.448 vol 16. Unlisted phone nbr. at Winfield Garage, Ft. Worth. Per CD 735 p.397 Andy Anderson, Manager, Winfield Garage, 206 E. 8th St. states they changed this (unlisted) number to ED 60791 in 11/63 because they were getting too many calls meant for ED 5-4211, the Government switchboard at Fort Worth.

Anderson did not know Oswald, and Oswald had never applied for work at the garage. I suggest the possibility Oswald was acquainted with someone who worked at the garage in '62 or '63 and who supplied him with the unlisted number. No doubt there are other possibilities but this one at least should be checked. Above info. is from FBI report 2/13/64 at Fort Worth S/A B. Tom Carter & Joseph M. Myers.
