

INFORMATION FOR PASSPORT APPLICANTS

1. This application must be executed personally before a Clerk of a Federal or State court authorized to accept passport applications or before a Passport Agent. The Clerk or Agent will give you all necessary information and guidance to complete this application. *Complete all the information which is applicable, but do not sign application.*

2. *Proof of United States Citizenship*

Persons who apply for passports are *required to present proof of their United States citizenship.*

A previously issued passport may be used for identification and proof of citizenship, instead of documents indicated below, and shall be submitted with the application.

A native born citizen shall present his birth certificate, or, if not obtainable, a baptismal certificate or certified copy of the record of baptism. If such primary evidence is not obtainable, such secondary evidence as census records, newspaper files, school records or affidavits of persons having a personal knowledge of the facts of birth may be submitted. *However, a statement by appropriate authorities certifying no birth record exists must be submitted with evidence other than a birth certificate.* To avoid delays, the applicant should ascertain from the Clerk or Agent exactly what information the above documents must contain in order to be acceptable for passport purposes.

A naturalized citizen shall present his naturalization certificate. Persons claiming citizenship through a native or naturalized citizen should read section C 3(b) of Department of State M-265, "Information for Passport Applicants" or discuss their cases with the Clerk of Court or Passport Agent.

Women married before September 22, 1922, or married to aliens ineligible to citizenship before March 3, 1931, should discuss their cases with the Clerk of Court or Passport Agent since there are special requirements for proof of citizenship.

3. *Identification*

An applicant is required to establish his identity to the satisfaction of a Clerk of Court or Passport Agent through personal knowledge, the presentation of an acceptable document of identification or by an identifying witness who has known the applicant for at least 2 years and is a U. S. citizen. If a witness is required for identification the witness will be required to complete an affidavit. An affidavit form may be secured from the Passport Agent or Clerk of Court.

The following documents are acceptable for identification purposes *provided* they contain the signature and either a photograph or a physical description of the applicant: A previous passport, a certificate of naturalization or of citizenship, a driver's license or a government (Federal, State, Municipal), industrial or business identification card or pass.

4. *Photographs*

Two duplicate photographs taken *within the past 2 years* shall be presented with the application. *Both photographs shall be signed by the applicant.* They shall be not less than 2½ by 2½ inches nor more than 3 by 3 inches in size.

Photographs may be in color or in black and white. A pleasant, natural pose is recommended. The prints should be capable of withstanding a mounting temperature from 180 degrees to 200 degrees, Fahrenheit. Acetate or film base, snapshot, polaroid or vending machine prints are not acceptable. Tinted photographs are not acceptable.

Photographs should be on thin, unglazed photo paper, show front view of applicant with a plain, light background. When dependents are included they should be shown in a group photo with the applicant. When it is not practicable to submit a group photo separate photos may be submitted.

5. *Passport Fees*

The fee required for the issuance of a new passport is \$9.00. The execution fee is an additional \$1.00 unless the application is executed before a Clerk of a State Court authorized to collect \$2.00.

Do not pay any other fee to anyone for filling in or executing this application or for obtaining the passport except postage and/or necessary emergency charges.
