Doctor KARL DOCKERY advised he spells his name with a "K" instead of a "C." He said he resides at 3307 Baker, Dallas, Texas, and his residence telephone number is ME 1-3569. He said he is classified as a Radiology Resident at Parkland Memorial Hospital in Dallas, where his telephone number is ME 1-5050, Extension 201.

Doctor DOCKERY said he was present during the time surgery was performed on LEE HARVEY OSWALD on the second floor at Parkland Memorial Hospital, on November 24, 1963, for about one hour prior to the death of the patient. He said he took about nine rolls of 35 mm black and white and color film showing the surgical procedures. This film was turned over to Mr. C. J. PRICE, Administrator of Parkland Memorial Hospital, and it has not been developed.

Doctor DOCKERY said the film was the property of the hospital and would have to be produced by subpoena duces tecum addressed to Mr. PRICE and/or Mr. ED MAKER, Chairman of the Board of Managers of the Dallas County Hospital District. He said the film was not identified prior to being turned over to Mr. PRICE and he would not be aware of the exact number of black and white film or color film or what number of exposures he made of the surgical procedures.

Doctor DOCKERY said he was unable to recall observing any scars on the inner wrists of LEE HARVEY OSWALD, but it was possible some of the photographs might show the inner wrist area of the patient.
