Dear Harold,

The "Qui" article -
amusing but not very
accurate.

Is Skalnick "unlike"
them Sprague or Waldman?
Not really.

"Have new claims
I don't know who
billed J.F.K." Perhaps
he "forgot" his testimony
at the Chicago Trial that
the CIA did.

O'Toole, while appearing
cautious, charges a
conspiracy of Dallas
police on the basis
of a marginal CIA detester
given to Wesley Frazier.
He is a master of implication.
Prouty posits a huge

Conspiracy also Fakehood
America.

Too often the claim
is made that Garrison
built us. Yet Jim
is no more paranoid
than them.

Yet the issue
is The Wayman Report.
Weisberg is a critic.
Weldman is a critic.

Thus, Weisberg = Weldman.
This non-logic is autistic.

The mere fact that
The Establishment uses
it reveals the vacuity
and evil of their
position.

Church is far less
moral than any critic.
They know but will
not move.
