Thraks for the staties on John Ray's work. I know the outcome because Carol called me that night but not the details in those stories.

Jerry was supposed to send me stories, including one that billed him as star witness, but I've heard nothing from him.

Nothing new here. Except Stylings an usual, beautiful.

Wish some of those bedding plants you are salling were closer. Idl would probably want them everywhere, departs our inability to keep up with what we have.

Amin. thenks.

Hardd-I thought II mail you a copy of all of these clipping on John trial. Guear and of went up there. The court heard me without the jury but to no ovail. See be in touch. Very busy this month selling bedling plant. Weather beautiful. I hope you all are healthy. Elliva
