Dear Mr. Patterson:

I have reviewed the correspondence which you sent to Mr. Kingsland as well as the copy of your letter from Congressman Volkmer. It appears to me that the allegations you are making either involve alleged unethical conduct on the part of the FBI and/or alleged unethical or illegal practices on the part of the House Select Committee on Assassinations. It would appear that most of your allegations regarding the House Committee took place either in Washington, D.C. or outside of this District. Therefore I would suggest that you write the United States Attorney in Washington, D.C. and inform him of this matter as suggested by Representative Volkmer.

I would also suggest regarding the alleged unethical conduct of the FBI that you write directly to the Director of the FBI, William H. Webster.

If I can be of any further assistance to you, please do not hesitate to write me.

Very truly yours,

ROBERT D. KINGSLAND
United States Attorney
