62-109060-4199 EBF Part 3 (no page numbers - I add numbers for these selected pages)

- Page 1 Shot at 170 after which Jackie turns confirms my earliest work & is counter to Commission Report
- 2 So is second shot at 2 of 215  
Does not include all blurred frames  
no explanation given for nos. 302 & 261 at bottom page
- 3
- 4 "Copy slides to be as (?) frames 172 through 323"  
Inadequate. Why one frame - in Time, Inc.?
- 5-6 Testing much more camera - average 18.5
- 7 "Comparison of Nix & Zapuder frames from 3rd shot on:"  
appears to relate to timing on Clint Hill
- 8 "Nix Camera" - exclusive of run-down average 18.5
- 9 "Nix Film" Orients 3rd shot at # 24, total 267 frames,  
200 "at first portion of motorcade before shot" and  
"total film 467 frames @ 18.5 = 25.2435 sec."
- 10 "Change in Frame Count" (does not say but is Zapuder)  
(Relates to numbering of FR with fixed objects)
- 11 "Frame Count - Zapuder Film"  
Fixed points, JFK, Jackie, Hill
- 12 unclear notes with sketches re shadow
- 13 On timing, distances between frames
- 14 "Take 1" apparently reconstruction
- 15 "Take 2" & "Take 3" ("too limited for accuracy")
- 16 "Take 4" & "Take 5"
- 17 "Take 6" and averaging of all takes to 18.117

page 18-24 copies along machine tapes re takes  
25 - blank one that some form writing is visible
