Dear Mr. Weisberg:

Enclosed please find all the correspondence with the (FBI) relating to the Weaver and Tom Alyea and Phenix films. As of the above date I have not gotten the Hughes and Doyle films, I'm expecting them this week, I'll send down all the pertinent documents concerning these two (2) films as soon as I receive them, the films.

I have also written Sprague on the photographs, I'm expecting a answer shortly, When and If I get them I'll send them along to you.

Maybe you can help me out on some other prints which I'd like to obtain. These being the Couch and Weigman prints, I would like to obtain any stills from either film if you have them, I once got a letter from Howard Roffman, I believe he mentioned that you had gotten contact prints of stills from those two (2) films, If this the case I could certainly use them if you'd be willing to let me have a set.

Also any information that you can give me on the two recently discovered films, Bronson and Daniels, if you have any document's or anything in that form, I'll gladly pay for your troubles, also if you know of any other NEW films or photographs that that the HSCA had found, I'd appreciate this info. also, if it's no trouble.

Well I guess that's all for now, like I mentioned before I'll send that other material down to you ASAP. Also please let me know how you make out. Best wishes to you.

Sincerely Yours,

*Barry*
