## CASE CLOSED

by Gerald Posner

A finalist for the Pulitzer Prize in history, **CASE CLOSED** is the book hailed by critics as settling the mystery over JFK's death. And now it has been updated in paperback to include not only a new author's note, but also:

- New information about the scientific breakthrough that puts the murder weapon in Oswald's hand;
- The latest updates from the KGB files and those agents who dealt with Oswald in Mexico City;
- Discussions about whether the CIA debriefed Oswald and whether Oswald ever met David Ferrie, the New Orleans adventurer.

**CASE CLOSED** solves the three decade mystery behind the assassination of JFK and finally allows one of our country's most painful chapters to be put to rest.

*At bookstores everywhere in September.*
