

UNITED STATES GOVERNMENT

Memorandum

TO : SAC, DALLAS (89-43)

DATE: 11/23/63

FROM : SA W. HARLAN BROWN

SUBJECT: ASSASSINATION OF
PRESIDENT JOHN F. KENNEDY

At 8:51 a.m., on 11/23/63, Mrs. DOROTHY MARTIN,
2862 Toronto, Dallas, Texas, Melrose 7-4637, advised that
on the night of 11/22/63, Mr. H. A. FARMER was interviewed
by the FBI and gave her address. She called to state that
he had given this address merely because he did not have
another residence address. When questioned more closely
she advised that she was not supposed to have anybody living
with her at the Dallas Housing Authority Project and as a
consequence did not want her address used for fear of news-
paper publicity.

The aforementioned is for information.
