Dear Mr. Robertson,

Thanks for the SASE.

I not only do not have to sell the books on your list, I avpided most ofnthem because they are fiction. The best source is The Last Hurrah Bookstore, 737 Memorial Avenue, Williamsport, PA 17701. Good people, too. Dr. Jerry Rose publishes what is now The Fouth Decade. He is at the College of the State of New York, Fredonia, NY. I also do not get it. I have no better address for it/him.

My work comes entirely from the official fact and from the third of a million pages of once-withheld information I got by suing the government under FOIA.

If you ever develop an interest in the fact rather than the theories or the fiction you may be interested in the enclosed list of my books plus a page about one your book store has or can get.

Sincerely,

Harold Weisberg
