Dear Mr. Weisberg,

I purchased your Whitewash series from you several years ago and you autographed them before you sent them and I'll always treasure the books and the great volume of knowledge that they contain. I recently purchased "Case Open" and "Post Mortem"

I am planning to attend the C.O.P.A. Conference in Washington D.C. and on the last flyer that I received it said that you would be a presenter. If you are indeed going to attend I would like to know if I were to bring along "Case Open" and "Post Mortem" if you would autograph them for me.

I would consider meeting you and having you sign these books a tremendous honor. I'll be looking forward to hearing from you.

With Great Respect,

Mark H. Rowe

Dear Mr. Rowe,

I appreciate what you say about my books. Thanks.

I do not appreciate that COPA announced me as a "presenter" when all at COPA who know me know very well that any travel is a danger to me and I avoid all the travel possible and have not drived out of Frederick for the past 17 years.

Nobody invited me, either.

The irresponsible who pulled that one does not know me or he'd not have misspelled my name. Maybe a she, I do not know.

Sorry,

Harold Weisberg
