Dear Mr. Weisberg,

Please send me a copy of "Whitewash" and a bill.

I was tremendously impressed with your handling of the inquisitors on the "Alan Burke Show". To maintain one's rationality in the face of such vicious questioning is a feat which you accomplished admirably. Your logic will force people to take notice.

Sincerely and respectfully,

Joyce Ringdahl

Dear Mrs. Ringdahl,

We never expected to be publishers, and we have no staff. So, rather than send you a bill, I'd rather thank you for your kind encouragements and for taking the time to write. It does help and we do appreciate it.

There is no handling charge. The total, including postage, is $5.05. Thank you.

Sincerely,

Harold Weisberg
