LICH Welcomes Donald F. Snell!

Tuesday, November 26, 1996, was an important day at The Long Island College Hospital...

At 5:00 P.M., a ceremony was held dedicating the three parks built by the Hospital on Henry Street as well as the formal dedication of the parking garage on Hicks Street.

Earlier, there was a reception for supporters of LICH to meet our new President and Chief Executive Officer, *Donald F. Snell*, who assumed this position on November 18, 1996 when *Harold L. Light* retired after 20 years as LICH's CEO. Mr. Snell is looking forward to developing an ongoing relationship with friends and donors whose vision and support mean so much to The Long Island College Hospital.

Don Snell greeting donors Frieda and Sol Rabkin.

Hope you can recognize us —

Chairman, Department of Urology, and Spring Ball Honoree, Ciril Godec, M.D. (left) enjoying an exchange with Don Snell (right), Jeffrey Berman, Architect (second from left), and Victor Vientos, Community Development Director, Brooklyn Union (second from right).

Joseph L. Broadwin, Chairman of the LICH Board of Regents, expresses enthusiasm for Don Snell's credentials as he comments on the future for The Long Island College Hospital as he introduces him to special friends and donors.

Bed#for Kevin Carberry (right) who won an all-inclusive Dominican vacation, the first prize in LICH's 1996 Four Star Raffle, hears Don Snell's ideas of how this hospital can best serve the community.

Chairman of the Board Joseph L. Broadwin (left) looks on as donors Blanche Grant and Richard Lanzarone welcome Don Snell to LICH.
