Dear Mr. Raser,

That you are confused is not unusual. Between the official mythology and the innumerable unofficial ones, if you pay attention to them, what else is possible?

The Oswald theory is impossible. You just are not familiar enough with the official fact, which is what I use in my books. no theories in them at all.

There now is no way of knowing what Jean Hill saw, she has now given so many different accounts.

I fear the reality is that we have little chance of knowing who did the killing. What is important is that we learn all we can about how our government and other institutions worked, or failed to work, as that we learn as much as we can about official dishonesty in the face of a crime of this magnitude.

If you put any credence in that mid tipoff artist Moore be careful not to buy the Brooklyn Bud Bridge a second time.

He thought the time had come from a commercialization from the other side and by far the most incompetent of that genre is his.

I enclose the list of our books.

Best wishes,

BANG ! First shot, Frame 190 Willis' slide no. 5. Kennedy emerges from behind sign at Frame 225, by Frame 228 you can clearly see the President reacting to the missed ricochet shot. The shot hit the pavement spraying bullet and roadway debris at the President. Frame 230: Motorcycle Officer Bobby Hargis seems to notice the President's reaction. Officer B.J. Martin has yet to notice anything. Frame 237: BANG ! Second shot, 2.56 seconds after first shot. The President is struck in the back of the neck, the bullet passes through and strikes Connally in the back causing various wounds. Officer Martin has yet to notice the commotion; Officer Hargis appears to still be watching the President. Frame 255: (Altgens' photo) Things are really happening here, Officer Martin has now joined Hargis in looking towards the President's car. Agents Ready, Landis, & Hickey are looking rearward, trying to locate the source of the shot or shots depending on what they heard. Agents Kinney, Roberts, & Hill seem to be watching the President's reaction. Agent McIntyre appears unaware of the commotion. Perhaps Frame 255 is a late label to put on the Altgens photo. Connally can be seen quite clearly, possibly this photo is closer to Frame 237. It has to be after Frame 237, because of Officer Martin. Once Martin realized what he was witnessing, as in the Altgens photo, he could hardly return to looking ahead as he is in Frames 230 & 237. Frame 312: BANG ! Third shot 4.09 seconds after the second shot, 6.66 seconds after the first shot. The president is slumped forward, perhaps being held up by his rigid back brace. Frame 313: The bullet impacts the President's head, and obviously passes through. The force of the bullet striking does ~~not~~ force the President's head and body forward. The much talked about violent, "back and to the left" movement may have been caused by one or all of three factors: the reaction of the body against the back brace; a propulsion reaction caused by the exploding skull; or finally, a neurological muscular reaction.

THE PROBABILITY EXISTS
ONE SHOOTER
ONE RIFLE

Yes - THIS BASICALLY Follows J. Moore's THOUGHTS - He WAS GLAD TO HEAR I STILL BASICALLY AGREE WITH HIM BESIDES POSNER'S New EVIDENCE. I DON'T LIKE A BANG AT Frame 160 FROM ABOVE/BEHIND BECAUSE AT Willis slide #5 + OR - FRAME 190 NO ONE APPEARS TO NOTICE ANYTHING. IF YOU "POP" A BALLOON IN A ROOM FULL OF PEOPLE - ALMOST EVERYONE WILL LOOK TOWARDS THE "POP" OR

DEAR MR. WEISBERG:

I HAVE RECENTLY PURCHASED
YOUR BOOK CASE OPEN. IT
HOWEVER TROUBLES ME. LET ME
INTRODUCE MYSELF TO YOU.

I WAS IN THE 7TH GRADE
OF OLD DISTRICT 77 SCHOOL -
ABOUT FIVE MILES SOUTH OF TOWN
ON NOVEMBER 22 1963. AT THAT
YOUNG AGE I WAS STUNNED, YET
REALLY, ALMOST UNAFFECTED, AS
WHEN THE WEEKEND WAS OVER
I QUICKLY MOVED ON. NOTHING
REALLY HAPPENED FOR ME UNTIL
THE LATE 1980'S. WHILE ON
VACATION WITH MY FAMILY IN
DEARBORN, MICHIGAN - WE VISITED
THE HENRY FORD MUSEUM. WALKING
AROUND THAT VAST COMPLEX, I
STUMBLED ACROSS, FOR ME, AN
EXHIBIT THAT STIRRED MY SOUL.
WALKING DOWN ONE OF MANY
AISLES, I CAUGHT A GLIMPSE
OF A STRANGELY FAMILIAR

-

LOOKING AUTOMOBILE. AND THEN, HERE I WAS GREG RASER, STANDING WITHIN ARMS REACH OF PRESIDENT KENNEDY'S LIMOUSINE. I CANNOT DEFINE THE FEELING OTHER THAN IT BEING VERY UNCOMFORTABLE, YET ALSO, VERY THRILLING.

FROM THAT DAY, 'TILL NOW I'VE READ MATERIAL, WATCHED DOCUMENTARIES, AND TRIED TO SATISFY MY QUESTIONS.

MUCH TO YOUR DISMAY - I AM CHINGING (AFTER READING YOUR NEWEST BOOK - CHINGING BUT SKIPPING) TO; "THE OSWALD DONE IT THEORY". HOWEVER - THE BEST THEORY IS STILL A QUAGMIRE - . I MUST CONFESS I AM A TERRIBLE READER, I GET OVER-ANXIOUS, START SKIPPING AND HAVE A HARD TIME RETAINING THE MOUNTAIN OF INFORMATION - GOOD OR BAD.

I'VE READ MARRS' EPSTEIN'S
LANE'S (2) GRODEN'S LIFTON'S
MENNINGER'S, SCHEIM'S, DAVIS',
SUMMERS', CRENSHAW'S, ZIRBEL'S
~~AND~~ WRITINGS - AND ALSO A
COUPLE OF YOUR FAVORITES
MOORE AND POSNER, AND
THE WARREN REPORT WITH
SOME W.C. TESTIMONIES THAT
I HAD COPIED FROM THE LAW
LIBRARY FROM THE UNIV. OF
ILLINOIS. (I HOPE TO GET MORE
TESTIMONIES)

JUST WHEN ONE OF THESE
GUYS BUILDS THEIR OWN GLASS
TOWER - SOMEONE KICKS IT
DOWN. MOORE DID IT TO
LANE, LIFTON, AND ESPECIALLY
GRODEN. POSNER DID IT
TO EVERYONE - WITH SOMEWHAT
LESS VICIOUSNESS. AND NOW
YOU ARE BANGING PRETTY
HARD ON POSNER.

I ALSO HAD AN EGO
BOOST WITH BOTH MOORE AND

POSNER. THEY RESPONDED
TO SOME LETTERS I WROTE
TO THEM... MR MOORE TWICE!
AIN'T I SOME KIND OF BIG
SHOT ?!?

WHAT DID JEAN HILL
REALLY SEE ?? DOES SHE
HERSELF REALLY KNOW? I
HAVE HER W.C. TESTIMONY -
IS IT FABRICATED OR
MISQUOTED LIKE SHE NOW
SAYS? HOW CAN I EVER
KNOW - OR ANYONE ELSE -
WHAT HAPPENED.

I WOULD LIKE TO PURCHASE
YOUR WRITINGS, BUT AS WITH
ANY COSTLY INVESTIGATIONS, I
WILL HAVE PURCHASE YOUR WORK
GRADUALLY. MY BUDGET COMMITTEE
(MRS. RASER) IS VERY ANNOYED
WITH MY 20 BOOKS AND 20
VIDEOS ON THE JFK CASE.
I HATE TO APPEAR CHEAP,
BUT WITH TWO KIDS IN HIGH
SCHOOL AND ONE IN COLLEGE,

MY BUDGET COMMITTEE IS
QUITE A FORCE TO TANGLE
WITH. PLUS, I WAS GOING
TO TAKE THE SUMMER OFF
MY MINI INVESTIGATION ---
UNTIL I GOT YOUR BOOK!
IF YOU WOULD PLEASE
SEND ME INFORMATION ON
HOW I CAN PURCHASE SOME
AND HOPEFULLY - POSSIBLY ALL
OF YOUR WORK.

BEST WISHES
& Luck
GOOD TO !
YOU

P.S. PLEASE EXCUSE
MY POOR GRAMMAR
& EXCESSIVE DABBING.
AS YOU CAN SEE I CAN
HARDLY STEAL YOUR
RESEARCH TO WRITE
MY OWN BOOK.
